

The Chicago Tartan Ten Association and the Corinthian Offshore Fleet invite everyone to attend a very special Seminar:

MEDICAL EMERGENCIES ABOARD

**Join us, Saturday, February 23, 2019
9:00 a.m. to Noon at Chicago Corinthian
Yacht Club
Montrose Harbor**

In the words of our speaker, Shelly Galligan: “Poked eyes, banged brains, puke, poop, burns, guts, butts, and cuts. It’s not as sexy as sail trim or working the bow, but it’s crucial that we’re prepared to intervene in the unique medical emergencies that occur on the water.” Shelly is a Registered Nurse and 100 - Ton USCG certified captain and terrific presenter. She’s engaging, funny and completely serious about avoiding and responding to all of the above.

Also presenting will be Matt Gallagher from CYC to highlight changes in the Mackinac Safety Rules and topics on life jacket safety.

We are providing coffee and breakfast treats to attendees!
