

Offshore Fleet Application

Welcome to the 2011 racing season. This year the schedule will include Wednesday A, B and C and of course the Pursuits. For weekends the venerable Weekend series will continue as will the Commodores Cup. Based on your input we are continuing to improve the scheduling so that more of you can participate. The moonlight race will be returning as well as the Montrose to Jackson Park race. CCYC will be again sponsoring four LMSRF Area 3 races. I hope to see you out there.

If you have any questions please contact your Offshore Fleet Captains, Chuck Beitel at 773-343-77584 (chuckbeitel@sbcglobal.net) or Chuck Fogel at 773-727-4753 (masada36@aol.com)

For your convenience, the Offshore fleet application is enclosed with the membership materials and as in past years the fee is again \$20.00. Because of the requirements for the club membership dues we have to ask you to write a separate check and send it to a different place. Please make checks out to "CCYC Offshore Fleet", use the enclosed Offshore Fleet envelope or mail to:

CCYC Offshore Fleet
c/o Steven Fink
5151 Jerome
Skokie, IL 60077

Boats that have not paid their 2011 dues will not be scored. Remember CCYC is a club of volunteers and as members of the Offshore Fleet, it is a requirement to participate in Race Committee duty. Andrea Krasinski will be contacting you for your RC duty assignment.
