Chicago Corinthian Yacht Club is first and foremost a yacht club of volunteers. Virtually all aspects of the club, including: Race Committee, Operations, and Junior Fleet Activities are performed by volunteer members. The concept of the Special Membership is to give an option to new members to increase their volunteer efforts while enjoying a discount in the membership cost.

The criterion for the membership is and will always be established by the Board of Directors of CCYC. The Special Memberships of CCYC are available to new members from the age of 18 to 26 years old as listed below. The Special Membership requires each member to perform 10 "Task Sessions" per year. These "Task Sessions" shall be divided into the 4 main volunteer groups: Race Committee (3 Task Sessions), Operations (2 Task Sessions), Junior Fleet (2 Task Sessions), and House Service (3 Task Sessions). This volunteer commitment is required every year the member retains the option to be in the Special Membership category. Transition to Regular Membership shall be mandatory for the sailing season immediately following the calendar year in which an individual reaches their 26th birthday. If the individual transitions to Regular Member, after a minimum of 2 full years in the program, or with Board approval, there will be no Initiation Fee.

To apply for Special Membership to the Chicago Corinthian Yacht Club, an individual must fill out membership information above and present it in person to the Board of Directors at either a Board Meeting or General Meeting.

Cost of Special Membership: NO INITIATION, and reduced annual dues as follows:

Special members age 18 to 22 annual dues: \$100.00
Special members age 23 to 26 annual dues: \$200.00

The Board of Directors of the Chicago Corinthian Yacht Club, at their sole discretion, reserve the right to modify or discontinue this program at any time without recourse.
